

# Literature Reviews/ Mini Ads

Showcase your products and literature to 140,000+\* professionals in the electrical market! The *EC&M* Literature Reviews/Mini-Ads will appear each month in *EC&M*. This unique section is dedicated to promoting catalogs, brochures and information regarding electrical products. Literature Reviews/Mini-Ads offer a great opportunity for readers to request more information about your products, and are priced right for every marketing budget.

**Get additional exposure online** when your listing is featured on [ecmweb.com](http://ecmweb.com). The online Literature Review/Mini-Ad will go online the day the *EC&M* issue mails, and will remain up until the next issue mails. You will receive the initial exposure to *EC&M's* entire circulation, plus thousands of extended online viewings for a month!

	1x	6x	12x
Net Prices	\$1,230	\$1,160	\$1,025

Submit the cover of your catalog/literature along with a typed two-line headline (20 characters per line) and 50 words of descriptive copy. The *EC&M* production staff will assemble your Mini-Ad for you at no extra charge.

For more information, contact your district sales manager or Publisher David Miller at 312-840-8487.
