

# EC&M CODE CHANGE CONFERENCES

The **2008 NEC** is coming. Attend one of our Code Change Conferences and find out what you need to know!

Register NOW to attend these learning events. In two informative and interest-filled days, you'll learn about major NEC changes that will impact your work, whether you're an electrician, electrical engineer, designer, or plant/facility maintenance person.

**Learn from the best instructors.** NEC experts Mike Holt, and Fred Hartwell in the Boston Conference only, are recognized as two of the electrical construction industry's most knowledgeable trainers. Both have extensive experience as authors, speakers, and trainers on design and installation topics relative to the NEC.

**Earn PDH's and CEU's.** EC&M Seminars is certified as an approved provider by the National Council of Examiners for Engineering and Surveying (NCEES) through that organization's Registered Continuing Education Provider Program (RCEPP). If you are a registered profession engineer and attend one of our 2008 NEC Code Change Conferences, you will be granted Professional Development Hours (PDH's), a requirement in many states for re-licensing. Our Code Change Conference Program is also certified as an approved provider of NEC training by those states requiring continuing education hours for re-licensing of journeymen, master electricians, and electrical contractors. By attending a conference, you will receive continuing education hour credits (CEU's), pending approval and adoption. States: GA (4); MA (15 NEC + 3 MA Law); ME (15); MN (16); MT (16); NC (16); NE (16); OH (15); RI (15); SD (16); UT (16); VT (15); WA (16); WI (15); WY (16); DE (10); FL (13); ID (16); and OR (16).

**Learn with a money-back guarantee.** The registration fee for our Code Change Conference Program is \$445 if you register on or before the early bird deadline (a saving of \$50). Anytime thereafter, the registration fee is \$495. (Boston Conference only: MA Code Amendments registration fee is an additional \$75.) Included in the registration fee is Continental breakfast and box lunch each day and a copy of Mike Holt's 2008 Code Change Book. And, if you're not completely satisfied with the return of your investment in our Conference Program, just return the course material and we'll refund your registration fee in full, no questions asked!

**3 Easy Ways to register:**

Call 1-203-926-0947; Fax 1-203-929-5351; Mail to EC&M Seminars, Attn: John DeDad, 65 Independence Drive, Huntington, CT 06484.
