Objectives & Methodology	1
---	---

Research Findings

Company size.....	2
Annual construction equipment capital budget	3
Annual construction equipment maintenance budget.....	4
Online purchases.....	5
Online replacement parts purchases.....	6
Percentage of rented equipment.....	7
Source of equipment rentals.....	8
Equipment maintenance/repair.....	9
Companies used for outsourcing maintenance/repair.....	10
Construction equipment usage.....	11
Equipment ownership, leases and rentals.....	12
Planned equipment purchases.....	13
Planned equipment rentals.....	14
Planned equipment leases.....	15
Extended warranty purchases.....	16
Use of finance companies.....	16

Data Tables (in order of questionnaire)

Number of employees.....	18
Annual construction equipment capital budget.....	19
Annual construction equipment maintenance budget.....	20
Online purchases.....	20
Percentage of purchases through online vendors.....	21
Change in percentage of purchases through online vendors.....	21
Online replacement parts purchases.....	22
Percentage of fleet that is rented.....	22
Change in percentage of fleet that is rented.....	23
Source of equipment rentals.....	23
Equipment maintenance and repair	
Earth augers/diggers.....	23
Earth compactors.....	24
Earth excavators/backhoes.....	24
Skid steer loaders.....	24
Reel carriers.....	25
Cranes.....	25
Derricks.....	25
Pole-hole diggers.....	26
Earth-boring machines.....	26
Aerial lifts (bucket).....	26
Aerial lifts (truck-mounted).....	27
Material lifts (hand-operated).....	27
Scissor lifts.....	27
Cable plows.....	28
Cable/wire tensioners.....	28
Trenchers.....	28
Cable/wire/rope pullers.....	29
Companies used for outsourcing maintenance/repair.....	29
Equipment ownership, leases and rentals	
Earth augers/diggers.....	30
Earth compactors.....	30
Earth excavators/backhoes.....	31

Skid steer loaders.....	31
Reel carriers.....	32
Cranes.....	32
Derricks.....	33
Pole-hole diggers.....	33
Earth-boring machines.....	34
Aerial lifts (bucket).....	34
Aerial lifts (truck-mounted).....	35
Material lifts (hand-operated).....	35
Scissor lifts.....	36
Cable plows.....	36
Cable/wire tensioners.....	37
Trenchers.....	37
Cable/wire/rope pullers.....	38
Equipment ownership, leases and rentals	
Earth augers/diggers.....	38
Earth compactors.....	39
Earth excavators/backhoes.....	39
Skid steer loaders.....	39
Reel carriers.....	40
Cranes.....	40
Derricks.....	40
Pole-hole diggers.....	41
Earth-boring machines.....	41
Aerial lifts (bucket).....	41
Aerial lifts (truck-mounted).....	42
Material lifts (hand-operated).....	42
Scissor lifts.....	42
Cable plows.....	43
Cable/wire tensioners.....	43
Trenchers.....	43
Cable/wire/rope pullers.....	44
Number of equipment type owned.....	45
Number of equipment type rented.....	46
Planned equipment purchases	
Earth augers/diggers.....	47
Earth compactors.....	47
Earth excavators/backhoes.....	48
Skid steer loaders.....	48
Reel carriers.....	49
